Course Overview: Studies distribution systems and management from a cost vs return view, US and world transportation systems impact on distribution centers, automated order processing, warehousing techniques and layout, organization for physical distribution management, total systems approach, government regulation, distribution components and management of distribution resources . This course is a sub-course of a program leading to a Graduate Certificate in Program Management. After the successful completion of this program, the student can elect to continue their studies to obtain a Masters Degree in Program Management.

Target Audience: Those that are in the acquisition field or interested in future assignment or employment in acquisitions.

Course Manager: Tel. 301-619-7554/3360, Fax 301-619-2884 or
E-Mail: USAGDCTEE@DET.AMEDD.ARMY.MIL

How to Apply: Federal Civilian workforce who have this training as part of the Individual Development Plan (IDP) can FAX DD Form 1556 to DCTEE (301-619-2884 or DSN 343-2884) or mail to bldg 1520 by the registration deadline. Make sure Blocks 17, 19, 23, 25, 32, 33, and 34 are properly completed. Include nominee's email address and Training Coordinator's phone number and email address in Block 18. Training coordinators must add billing information in blocks 27 and 37. Although we try to accommodate all training needs, faxing a nomination to us does not guarantee a space allocation. **You must register with the FIT.** Military personnel can utilize their educational benefits and VA benefits. Education POCs for military personnel interested in taking this course are Terri Baker and Bob Anderson located in the Bldg 1520, DCTEE.

NOTES:

Individuals who require special services or accommodations due to a disability should advise this office immediately (wheelchair access, interpreter, etc).
